

## Getting to CTTC

The Centre Tecnològic de Telecomunicacions de Catalunya (CTTC) is located at the Mediterranean Technology Park, in the metropolitan area of Barcelona (Castelldefels). The Park has excellent road and rail links Barcelona and the Airport, and is near the beach.

### Access by train

**C-2 line, Castelldefels station**

The Castelldefels train station (RENFE C-2 line) is 300 m from the Park. From Barcelona Sants station the journey is about 20 min. This is the recommended access if you are coming to the CTTC with public transportation.

**Access by bus**

**L95** line from Barcelona-Plaça Catalunya

The L95 bus line departing from Barcelona Plaça Catalunya, in the city center, stops at L'Hospitalet de Llobregat, El Prat de Llobregat, Viladecans, Gavà and Castelldefels. There are buses every 20 min.

**Access by car**

**C-31** and **C-32** motorways

The CTTC is 10 min far from the Barcelona airport and 20 min from the city center. Take the C-32 motorway (formerly A-16) until exit 46 (Castelldefels) or alternatively take the C-31 motorway (formerly N-246) until exit Canal Olímpic.
